

Start-up Enterprise Support for Women

The Westmont Enterprise Hub at the University of West London is delivering start-up enterprise support for women to help develop their business ideas. The Hub team is working with local community organisations and Housing Associations to promote this offer to women living in Ealing.

Start-up Support includes:

- Training sessions in person in community venues in Ealing
- Developing your business idea
- Opportunity to test trade your business idea

For information about the support you will receive, or to support this project please contact Angela at:
